**Color is a Power which Influences the Soul opens March 16, 2022 at TAG Gallery, 5458 Wilshire Blvd, Los Angeles, CA 90036. TAG is open 1pm-7pm, Wed-Sun.**

Shalla Javid's paintings focus on issues centered around issues of cultural morals and gender politics. Relying on strong memories and the process of meditative visualizations, Shalla tells colorful stories that are rooted in her Perisan culture, feminism, and magic.

About the Artist: Shalla Javid is a professional artist accustomed to living life without borders. This has helped her move beyond the self-imposed confines of medium and subject into an exploratory realm of endless possibilities.

Ms. Javid is Persian born, but the inspiration to become an artist came during a family trip to Paris when she was eight years old. After years of painting, she has learned to evoke emotion from her work. She creates art, with a lot of surface quality and vibrant colors. Shalla's work is filled with motion and excitement.

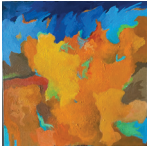

The intimate experience of making art allows Shalla to express her ideas, thoughts, and feelings. Satisfaction comes in knowing when a piece is finished. Joy comes in that special moment when someone connects with a painting and wants it to become part of his or her life.
